

Being a Collection of Various Topics of Local and General Interest

HARVEST JOYS

ACCORDING TO old tradition the harvest period is one of joy. Here is the way the sacred psalmist put it: "Thou crownest the year with goodness. And thy paths drop fatness. The pastures are clothed with flocks. The valleys also are covered with grain. They shout for joy, they also sing."

Over the world at completion of harvest, the people kick up their heels in dances, and have grotesque ceremonies to express their merriment. In these strange times, a great harvest may spell calamity for farmers, since it will probably mean low prices. Let us hope we can better order our agricultural life, so that again the country shall rejoice when the valleys are covered with grain.

HOW TO STOP WAR

THE AMERICAN people want to keep out of the war that seems eminent over in Europe, but there are sharp differences of opinion as to how to do so.

The majority idea is to keep entirely aloof from it, and avoid any policies that could be interpreted with either party. But a good many influential folks hold to the idea that a better way they feel that if a few leading nations should unite to insist that there be no fighting, nations that contemplate war would decide not to start anything.

They feel that if the United States and Great Britain, for instance, having the two strongest navies in the world, should put their foot down and say positively that Italy must not start war with Ethiopia, those nations would keep the peace.

But if the United States once started on that idea it would not be enough to put up any mere bluff. It would not be enough to threaten cutting off trade with an offending power. The countries that attempted any such thing would have to be prepared to use military force. They would have to "talk turkey" and say they would fight any nation that started a war.

If that policy were followed, sooner or later the United States would get into a war. It tried that sort of thing in 1917 and 1918, and the results were not so good.

Even if the United States, England, and France thus determined to fight any nation that started a war, they might not be able to stop fighting. Italy, Germany, and Japan are among the nations that are dissatisfied with existing conditions, and they might fight each other, or start another World War all over again, and the world can't stand it.

THE CHURCH BELL RINGS

WHEN THE NIGHTS begin to lengthen, then the church activities begin to strengthen, might be said, to modify an old saying. This is the time of year, when the wanderers have returned from vacations, turn up at the old church fold again.

The devil is said never to take a vacation, and some people think the churches should run full time every week in the year. They used to in former days, and some do so still. The folks who find fault because of summer suspensions of activity, are not always the ones who pay the bills, or who suffer the pains and penalties of teaching Sunday School classes.

Somehow life seems to go better in communities that have churches. You may not believe in all the theological doctrines. But at least few people were ever hurt by going to church or Sunday school, and a great many people have been helped. Many a boy goes straight today, because of words some faithful Sunday school teacher once dropped into his ear.

It is a difficult proposition to run a church in these times, because these services cost a good deal of money. You can't expect a minister or a janitor to live on faith and hope alone. Even they require eats, a roof over their heads, and suitable clothing and education for children.

Modern churches, so far as able, carry on fine programs of education and recreation. When the young folks are getting to be church folk, they aren't making themselves foolish out on the road. The best wishes of the community are handed to every religious organization. It does us all good to hear the Bible read, and get the minister's ideas on the things that are the matter with the world.

LOWELL, MICHIGAN, THURSDAY, SEPT. 26, 1935

NO. 19

FORTY-THIRD YEAR

\$1234 CLEARED BY SHOWBOAT REPORT SHOWS

NET RECEIPTS THIS YEAR NEARLY EQUAL TO THE GROSS RECEIPTS IN 1932, THE FIRST YEAR OF THE SHOWBOAT

At the September meeting of the Lowell Board of Trade held last Friday evening, N. E. Borgerson, general chairman of the 1935 Showboat, submitted a detailed report of receipts and expenditures. Mr. Borgerson's report showed that this year's receipts from admissions amounted to \$3,404.90. The expenditures were \$2,170.46. This leaves a net balance of \$1,234.44.

It is interesting to note that the net receipts this year nearly equaled the gross receipts in 1932, the first year of the Showboat. That year the total receipts were \$1,249.50, total expenses were \$469.67, net balance \$779.83.

In 1933 the receipts were \$1,340.30, expenditures were \$754.13, net balance \$586.17. In 1934 receipts were \$1,979.21, expenditures were \$1,505.06, net balance \$474.15.

1935 Showboat Expenditures

Table with 2 columns: Item, Amount. Includes Bleacher rental, U. S. Gov't tax, Director and Costumes, McKinney's Cotton, Pickers, Advertising, Rain Insurance, Labor, Bracing Building, and elevating seats, Training dancers and shoes, R. Warner, Piano, Labor, Boat, Labor and hauling and erecting bleachers, Cast, banquet, meals, etc., Garden Lore Club, Sound equipment, Launching and pulling hull out of river, Wrecking boat, Telephone and telegraph, Painting & decoration, Lumber and supplies for boat and bracing bldg., Nails, paint and hardware, ware, etc., Police, Purchase of barrels and miscellaneous, Programs.

Total \$2,170.46. The Friday night meeting, at which the above report was given, was called to order by W. V. Burras, Board of Trade president, who called upon the Rev. R. S. Miller who gave an interesting and inspiring talk upon the subject of "Wishbones, Jawbones and Backbones."

Alton Fair, Homecoming, Oct. 5-6

Plans are nearly completed for the second annual Alton Community Fair and Homecoming which is to be held at the Alton church Saturday and Sunday, Oct. 5 and 6.

Exhibits may be brought to the church basement after three o'clock Friday, Oct. 4, and must be in place by nine o'clock Saturday morning. Ribbons will be awarded for three places and cash prizes will be awarded for exhibits of displays from one farm.

Prizes will be awarded for the following classes: Grain, corn, potatoes, beans, vegetables, flowers, fruit, canned goods, baked goods, butter and eggs, fancy work and displays from one farm. (All entries must be produced by the party making the entry).

There will be a miscellaneous program, followed by a program of fellowship and reminiscences at two o'clock.

Strand Calendar

Thursday, Sept. 26, Bank Night "Shanghai" with Loreta Young and Charles Boyer. Friday and Saturday, Sept. 27-28, Double feature, "The Girl From 10th Ave." with Bette Davis, also "Dinky," with Jackie Cooper. Sunday and Monday, Sept. 29-30, "The Gay Deception," with Francis Lederer and Frances Dee. Tuesday and Wednesday, Oct. 1-2, "The Wedding Night," with Anna Sten. Thursday, Oct. 3, "Black Sheep," with Edmund Lowe and Claire Trevor.

NEIGHBORHOOD STORE

A combination service station and general grocery store is being erected by Frank E. Howk at the corner of Vergennes-rd and W. Highway-st., about eight blocks north of Main-st. Mr. Howk states that the new business will be ready in about six weeks.

In Chinese, one word may have as many as five different tones, each of which, when sounded, gives the word an entirely different meaning.

Tri-Township Club Formed By Teachers

The Teachers' Club of the three townships of Lowell, Bowne and Cascade met at the Morse Lake school on Thursday afternoon. The club was organized for the present school year with the following officers: President, Harry Loring; secretary, Beulah Hayward; chairmen of townships: Lowell, Jeanne Beatham; Bowne, Eleanor Hayward; Cascade, Alice Porritt. Mr. Clark and Mr. Gunther were present and the former gave a talk on music in the schools. The teachers were urged to be present at the meeting at Kelloggville Friday afternoon at three o'clock.

Lowell Loses to Heavy Godwites

The Lowell high school football team was beaten 19-6 by Godwin high school here last Friday night. Two reverse plays netted Godwin their first touchdown. The Lowell team made more first downs in the first half than Godwin, but failed to score. In the second quarter, in spite of a five yard penalty, Lowell had the ball four inches from the Godwin goal line but lost it there on downs.

Lowell came back in the second half and, on a series of smashing plunges by Monkowski and running plays by Gordtz, they made three first downs and punted out on Godwin's four-yard line. Godwin kicked from behind their own goal line. Robert Ellis took the punt and, behind some fine exhibitions of blocking, ran for a touchdown.

In the last quarter, Godwin made one touchdown after a hard fight on the Lowell goal line. Lowell, behind, was forced to pass in their own territory which gave Godwin a chance to score on an intercepted pass. Godwin's who passed failed to connect.

The Lowell line showed lots of fight but not enough weight. The Godwin line averaged 12 pounds heavier to the man than Lowell. Coach Avery contemplates some changes in the back field to make for a stronger offense.

Lowell plays Greenville there Friday at 3:30.

Republican Rally To Draw Big Crowd

A Republican Rally for Kent and Ottawa counties will be held Saturday afternoon, Sept. 28, at Johnson Park, near Grandville. Governor Frank D. Fitzgerald and all of Michigan's Republican congressmen are scheduled to be present and discuss national issues. One of the features of the program will be a ball game between Grandville and Caledonia and there will be field day events with prizes for everyone, a band concert, besides a barbecue lunch. Everybody is welcome.

It is expected that there will be a large attendance not only from Kent and Ottawa counties but from all over Michigan. No doubt, the largest crowd ever assembled at Johnson Park will be present.

Along Main St.

Frank Daniels of Keene-tp. was on Main-st. the other day and, while here, dropped into the Ledger office with a sack of fine apples. "Some say they are the Wolf River variety," said Mr. Daniels, "but I think they are Alexanders." Well, Frank, after Frances had baked a couple of pies we have found a still better name—we'll just call them Great!

Another good farmer friend from Keene-tp. also favored the Ledger sanctum the other day with a basket of choice peaches. Lee Lampkin was the donor and the basket of fruit proved to be as delicious as it was beautiful.

The newly-formed Lowell Metal Products Company is making steady progress towards getting under production. The company's large factory building in Saranac has been put in good shape and considerable machinery already has been placed. Tony Tusken, formerly employed here as die-maker, has returned to Lowell and will be in charge of die-making for the new company. Prospects for the company are said to look very encouraging.

The new school bus attracts considerable attention on its daily trips through Main-st and there is no doubt but that the boys and girls are very proud of it. An east side youngster insists that his parents move to the west side so that he too may have his rides.

NEWS OFFERS AUTOGRAPHED TIGER ROTO SECTION

On Sunday, Sept. 29, The Detroit News will carry an additional 4-page Rotogravure Section containing autographed portraits of every member of the Tiger pennant-winning team. Since an exceptional demand is expected for this unique addition, readers are advised to order their copies in advance. On sale at Christian's or phone for delivery. adv

BARGAIN

For the balance of this week, and before renting the City State Depositors Corporation will sell for cash, at an attractive bargain, the newly repaired and redecorated Lynn Fletcher house and three lots in Segwun. Inquire of F. H. Swarthout, Liquidator. c19

FOUR PERSONS MIRACULOUSLY ESCAPE DEATH

TIRE BLOW-OUT CAUSES A HEAD-ON CRASH—VICTIMS, CRITICALLY HURT, RUSHED TO HOSPITAL—LONG TIME REQUIRED FOR RECOVERY

Three members of the Harvey Callier family of Lowell, husband, wife and daughter, Corinne, 12, came within an actor of being wiped out of existence in the twinkling of an eye in an automobile crash which occurred last Saturday afternoon at about 1:30 o'clock on M-21 one-half mile west of Ada.

The blowing out of a front tire on a car driven by Dr. J. C. Foshee of Grand Rapids resulted in the cause of the crash. Doctor Foshee was driving east toward his summer home near Ada. The Calliers were enroute from Lowell to Grand Rapids. The two cars came together almost head-on. The front ends of both cars were crushed.

Callier car was knocked off the road and onto a guard rail by the impact. Mrs. Callier suffered a fractured hip and jaw. Mr. Callier sustained severe scalp and face cuts and bruises, a fractured ankle and knee. He was unconscious for a short time. Corinne received a fractured right arm and right leg. Dr. Foshee had fractures of the skull, jaw and nose. He was rushed to Butterworth hospital by Cliff Court, while the Calliers were taken to Bloedel hospital by ambulance.

Mrs. Irene Spencer and E. L. McCaushey, in whose car she was riding just behind Dr. Foshee's auto, cared for the injured until the ambulances arrived. After they cleaned the doctor's face, they helped Mr. Callier out of the car but directed Mrs. Callier to remain seated. They washed all their faces and cared for them as best they could. Mrs. Spencer said that she could see they were in intense pain.

Mrs. Spencer states that Dr. Foshee had treated her husband following an auto accident in 1933, which resulted in his death. Mr. and Mrs. Callier, who are proprietors of the Strand Theatre here, are widely known throughout this section of the state and their many friends are rejoicing over their miraculous escape from death on the highway, although considerable time will be required for their complete recovery.

Dr. Foshee is a member of the staff of Butterworth hospital, Grand Rapids, and is a well-known physician and surgeon of that city. Despite his recent fatal injuries, the doctor did not lose consciousness on the trip to the hospital and while enroute he gave directions as to where he should be taken, also describing to Mr. Courtwright just how the accident occurred.

Word from the hospital this (Thursday) morning is to the effect that Mr. and Mrs. Callier and their daughter are doing as well as could be expected. Mr. Callier is able to see visitors but only immediate relatives have as yet been permitted to visit Mrs. Callier.

Cong. Church Rally Occurs Next Sunday

The Congregational church leads forward next Sunday in an all Community Go To Church Rally in both Sunday School and the worship service. Miss Lynn, superintendent, urges a full turnout for "get out the class" and we'll have a full house to hear the Rev. Percy Dawe, assistant superintendent of the Michigan Congregational Conference, of Lansing. The day will complete the Penny Box period and are urged to bring them to the service. Attendance goal is set at 150. Be one!

Ledger Advertising Gives Good Service

The effectiveness of Ledger advertising is proven again. Supt. W. W. Gumsier states that 65 out of 100 freshmen who classified in advance for the opening school did so because they had read the advertisements in The Ledger.

LOANS ON GRAIN

F. W. Titus, Secretary of the Muskegon Production Credit Association, states that farmers may borrow money to finance the storage of grain on their own farms. Such loans will give the farmer an opportunity to borrow on grain stored on his own farm, thus saving the necessity of taking the grain to the elevator or mill, only to be repurchased by another farmer later in the season for feeding purposes.

Mr. Titus states this works out well for the farmer who has, exceptionally good seed wheat, rye, oats or corn, and wishes to hold them until such time as the season will create a better demand for them.

Because a Tire Blew Out

Blowing of a front tire on the motorcar of Dr. J. C. Foshee, Grand Rapids surgeon, on M-21, a mile west of Ada Saturday afternoon resulted in injury to Dr. Foshee and three other persons. Both cars were demolished. At the left, what was left of the motorcar driven by Harvey Callier, Lowell, in which his wife and daughter, Corinne, 12, also were riding. At the right Deputy Sheriff Art Tannis examines the hole in the tire caused by the blowout. (The cut shown above was furnished The Ledger through courtesy of the Grand Rapids Press.)

Local People Bruised, Cut in Car Smash

Clark Morse, son of Mr. and Mrs. W. J. Morse, was slightly cut and bruised Monday night when his car was struck by another on a curve on M-21 about four miles east of Lowell.

Bidding with Clark at the time of the accident were his mother and her sister, Mrs. Fred Stein of Saranac, who was returning to her home. Both received slight cuts and bruises and a shaking up. Both autos were badly damaged. Tonia county deputies investigated the collision.

Woman's Club

The first meeting of the Lowell Woman's Club was held at the home of Mrs. Fred Pattison of Ada, with the president, Mrs. John Taylor, presiding. After the opening with singing, America, the beautiful and musical at-Collect several items of business were disposed, among which was the presenting of the names of five ladies requesting membership.

A very interesting report of the Triennial which was held in Detroit from June 4 to 12 was given by Mrs. Chas. Doyle. Mrs. Doyle was appointed as a delegate from the Lowell Woman's Club and attended on the sixth and seventh of June. One would have to hear Mrs. Doyle give her report to appreciate all she heard and saw. She reported 263 delegates from Michigan. There were 1500 delegates in all besides about 2600 visitors.

The program for the afternoon was in charge of Mrs. Thorndike with Mrs. Duell assisting. The first number on the program was a talk by Mrs. E. L. Timpon on "Trip to Tennessee during last winter." Most of her talk was centered on Nashville, where she arrived last winter to find five inches of snow, the first they had had in years. One almost felt they had been to Nashville themselves by the time Mrs. Timpon had finished. She gave a very vivid description of Andrew Jackson's home, and also told some of his family history. An interesting statement was that the southerners consider "Damn Yankee" one word as "Damascus" and "Damrosch."

Mrs. Thorndike then presented Miss Grace Hale who gave a very interesting and amusing description of how she started on her trips to Europe. According to Miss Hale, to go on a trip abroad is very simple. Just a matter of packing one's suitcase, getting a passport and going. Her second trip was with a shipload of "Ad Club delegates" from Texas. Miss Hale spends her summers in Alaska, Mich., her home being in Texas.

Our hostess then served very dainty refreshments, after which the club adjourned to meet on October 9 at the home of Mrs. J. K. Allhand. Mrs. Allhand will review "Shake Hands With the Devil." There will also be a test with Mrs. W. W. Gumsier as secretary. Mrs. M. Houseman, Press Cor.

Will Chambers Dies From Heart Attack

Funeral services were held at the W. A. Roth funeral chapel Tuesday afternoon for Will Chambers, who passed away unexpectedly following a heart attack Saturday evening at his home near Marion. Interment was in Oakwood cemetery.

Mr. Chambers was well-known in this vicinity, having lived in Lowell as a young man. He later moved to Alto where he operated a cheese factory for a time, later venturing into the apple drying business at Alto and in Elmidae. He moved to a farm near Marion about twelve years ago where he had since made his home.

Those left to mourn their loss are the widow, Honor Lee Chambers; a daughter, Miss Jessie Chambers, who teaches school at Jackson; two sisters, Mrs. Chas. Young of Lowell and Mrs. Frank Bulask of Toledo; and two brothers, Harry and Harold Chambers of Toledo.

Auction Sales

Mrs. C. H. Gleason, Oct. 5. A public auction sale of household goods will be held at Colby's Lumber Yard at Cascade, Saturday afternoon, Oct. 5, commencing at one o'clock. Mrs. C. H. Gleason, Prop.; N. C. Thomas, auctioneer. The list is printed on another page of this issue.

HEAVY HITTING IN TOURNAMENT GAMES SUNDAY

CUBS WIN OVER ADA HOTELS BY 14 TO 13—CLARKSVILLE TRIMS LAKE ODESSA 11 TO 4—TOURNAMENT INTEREST GROWS

The Fallsburg Cubs triumphed over the Ada Hotels, 14-13, in the Class B baseball tournament at Recreation Park last Sunday. After holding Ada for six innings to two runs, Pitcher Gabby Byrne weakened and was replaced by Charley Moore, who in turn stepped aside for Lud Kerr in the final bracket. Curley Hacking caught for the Cubs, while Ward and Hill formed the Ada battery.

The Hotel boys stepped into a first inning lead, but Fallsburg came up gradually from behind to win. The deciding tally came in the ninth, when Wingier singled to drive in Kropf, who opened the inning by hitting safely.

M. Ward clouted out a homer for Ada, while L. Ward, Faulkner and Averill also showed well at bat.

Clarksville Wins Nightcap

In the second game of the doubleheader, Clarksville gave the Lake Odessa Independents a sound beating, 11-4. Clarksville got 15 hits, while Lefty Richardson hit the Independents to five hits. The Clarksville southpaw singled in fine form, striking out nine men, including three in a row in the seventh.

Third Stage Next Sunday

The third doubleheader of the series Sunday afternoon at Recreation Park will find Lake Odessa matched against Ada in the opener, and the Cubs will play Clarksville in the second game. Although the Cubs defeated Clarksville 9-3 at the Saranac park, the Sunday contest is likely to be quite different, especially if Richardson maintains his winning stride.

Interest in the tournament games is growing steadily, last Sunday's crowd being twice as large as the opening day, and a much larger crowd is expected for next Sunday's doubleheader.

Half of Home Fires Start in Basement

The startling and continuous increase in the number of fires in residences calls for direct and immediate action. Fifty-six per cent of home fires originate in the basement. An open cellar stairway unprotected by clothes chute, dumbwaiter or open spaces in the walls or partitions, allow deadly fumes to pass upward almost immediately, thus endangering the lives of occupants and involving the entire building in flames before the alarm is sent in.

Over fifty per cent of the home fire loss of life and property might be saved by fire-stopping walls, placing tight-fitting doors on clothes and other chutes, covering the ceiling with metal lath and good cement plaster, placing a heavy two-inch solid hardwood door at the stair landing and installing a fire detector to give notice of an unusual rise of temperature.

Attics, roofs and chimneys supply the cause for twenty-two per cent of residence losses. The remedy for these is proper construction of chimneys, fire-resistant roofs and clean attics.

Education in the proper use of electrical appliances, protection for open fireplaces, and stoves and the elimination of flammable liquids for cleaning purposes and starting fires would reduce the remaining fire causes to a minimum.

Auction Sales

Mrs. C. H. Gleason, Oct. 5. A public auction sale of household goods will be held at Colby's Lumber Yard at Cascade, Saturday afternoon, Oct. 5, commencing at one o'clock. Mrs. C. H. Gleason, Prop.; N. C. Thomas, auctioneer. The list is printed on another page of this issue.

Mrs. Tryphena Edson Passes at Age of 83

Mrs. Tryphena Edson, 83, widow of the late Levi A. Edson, Civil War veteran, who died several months ago, passed away at her home here Sunday night after a long illness, following a hip fracture.

Mrs. Edson, whose maiden name was Tryphena Averill, had been a resident of Lowell for the past 25 years. She was born in Medina county, Ohio, on July 23, 1852. At the age of eleven her parents moved to Dorr where she lived until she moved to Edmore to work. It was here that she met and married Levi Edson, then living on a farm near Edmore.

Mr. and Mrs. Edson lived on their farm a few years then moved into Dorr. Belding was their next home where they resided for fourteen years. In 1910 Mr. and Mrs. Edson removed to Lowell where they settled on South Hudson-st.

Funeral services were held on Tuesday afternoon at the residence. Rev. A. J. Hoolsma was the clergyman. Arrangements were by W. A. Roth, Interment in Oakwood cemetery.

Coming Events

The Vergennes Cooperative Club will be held at Mrs. O. J. Odell's Thursday, Oct. 10.

The Ladies Aid Society of the Congregational church will meet with Mrs. Allen Bennett next Wednesday afternoon for the annual meeting.

The Phila A. Clark Circle will meet with Mrs. M. D. Sneathen Friday afternoon for their annual dues pay party. Pollock supper. Everybody invited.

The annual public chicken pie supper to be held Tuesday, Oct. 8, at the Lowell M. E. Church house, commencing at five o'clock. Adults 50c, children 25c. c19-20

The Alton Community Club will give its second annual fair on Oct. 5. Homecoming on Oct. 6. Programs on Saturday evening and Sunday. All cordially invited to attend.

The Ladies Aid Society of the Congregational church will serve their annual chicken supper at the church house Monday, Sept. 30, commencing at 5:30 o'clock until all are served.

Rebekahs and Odd Fellows: There will be a pollock supper for the meeting, Tuesday, Oct. 1, 85th anniversary of Rebekah and Odd Fellowship. The L. O. O. F. have changed their regular meeting time to Monday night.

All members and friends of Vergennes Grange are urged to attend a rally Friday evening, Oct. 4. A speaker from the State Grange will be with us. Pollock supper. If at any time in the past you have been a member of Vergennes Grange, plan to "come home" at this time.

Segwun Community Club will hold another party at the South Ward school building Friday evening, Sept. 27, at 7:30 o'clock. Program and supper. Bring sandwiches and coffee on hand. If you ever attended school in Segwun or resided in the community, you are eligible to attend.

Auctions to Have Thomas' Full Time

N. C. Thomas, who has been connected with the Home Owners Loan Corporation as appraiser for the past three years, has completed his work with that organization and will again devote all of his time to the crying of auction sales.

Mr. Thomas is too well and favorably known as an auctioneer and dispenser of good cheer to need any further introduction to Ledger readers. He has cried auction sales for two generations and we predict that he will keep going strong for at least another generation.

Bookings may be made through The Ledger, Wm. T. Condon or the State Savings Bank, Lowell.

The Jewish New Year will be observed by members of that faith beginning Friday evening of this week and running through Saturday.

Odds and Ends Here and There

Pithy Points Picked Up and Pally Put By Our Peripatetic Pencil Pusher

Mussolini is said to be buying up mules in the United States market. Graham McNamee should be on hand to broadcast that flight between Mussolini's Missouri rules and Haile Selassie's Ethiopian lions.

The widening of US-16 east of Grand Rapids to a width of 42 feet has been completed and the connecting strip between US-16 and M-21 is also ready for traffic.

In a speech at the St. Joseph county fair last Thursday, Gov. emory Fitzgerald said he favored the adoption of civil service for employees of the state.

Counterfeit lottery tickets are sold in this country annually to the amount of \$15,000,000, according to U. S. department of justice officials. All lotteries are illegal in this country.

The WPA will spend \$240,000 to put roses in the Rose Bowl at Pasadena, Calif. It begins to look as though money really does grow on bushes.

A live snapping turtle, four inches in length, was found by Frank Snyder of Elberta in the stomach of a four-pound black bass which he caught in Upper Herring lake, Owasco county. Snyder did not discover the turtle until he had taken his catch home and dressed it out. It was placed on display in a Frankfort hardware store.

Kent county has been granted \$342,700 for the cleaning and rebuilding of 218 miles of county drains under the WPA. This is the largest grant to any county in the state for this purpose. To date drain projects in thirteen other counties reach a total of \$1,336,265.

Editor Sibley of the Springport Signal says that out of the 20 monkeys that escaped from a New Jersey zoo, only 30 have been returned to their cages.

Copies of the Public Acts of 1935 are now available at the Department of State at \$1.50 a copy. The state pays, pared, post charges within the state. Requests for copies must be accompanied by remittances in cash.

Fire prevention week, now observed by Presidential and Royal Proclamation, is the anniversary of the Chicago fire of October 9, 1871, which destroyed the popular legend, Mrs. O'Leary's cow kicked over the lantern that started the fire that destroyed the city with a loss of 200 lives.

ALTO DEPARTMENT (Mrs. Fred Pattison) White Circle Dinner The White Circle Dinner serve a meat pie dinner in the M. E. Church dining room, Wednesday noon, Oct. 2nd. Everybody come.

Social Events

The members of the Book Review Club and their husbands enjoyed a steak roast at Fallsburg Park Monday evening.

Mrs. Howard Bittenger entertained the members of the Fort nightly Club Tuesday evening. A number of new members joined at this time.

St. Mary's Guild gave a contract bridge and euchre party at the Ford Garage last Wednesday evening. Honors were won by Mrs. N. E. Borgerson, Art Hill, Mrs. VanDyke and Mert Sinclair. Refreshments were served.

Mrs. Louis Wingeier entertained the members of the Goufus Club last week Wednesday. Honors were won by Mrs. Fred Gramer, Mrs. Vern Armstrong and Mrs. Arthur Walker. Light refreshments were served by the hostess.

W. R. C. Meeting

Members are urged to be present at dinner day, Oct. 3. Plans are being made for the 6th District convention in Grand Rapids, by the 6th district president, Nina Chubb, and secretary, Ora Washburn. Be present next meeting, hear about our plans and help to make this a great year for Lowell Corps. Last meeting was held with a record attendance and all who could stay enjoyed a treat. If you miss these meetings you are missing a lot of good things.—Press Cor.

Celebrate 75th Birthday

The 75th birthday anniversary of Jacob Rueggeger was celebrated last Sunday. The party of children and grandchildren met at the Keeche schoolhouse and gave him a grand surprise at his home. Dinner was served to 22. The table was decorated with a birthday cake topped with birthday greetings.

Out of town guests were as follows: Mr. and Mrs. Benj. H. Mead, Mr. and Mrs. C. A. Mead, Glen Mead, Margaret Simons, Emma Mead, Mr. and Mrs. Leo Rueggeger and son, Mr. and Mrs. J. B. Sturges, Miss Clara Rueggeger and Miss Eva Rueggeger, all of Lansing; Albert Curley of Alto and Mr. and Mrs. Rudolph Brawand of Grand Rapids. A good time was had by all and a lovely gift was presented.

Ross-Wingeier

The home of Mr. and Mrs. Wm. K. Ross was the scene of a simple wedding Wednesday afternoon at two o'clock when their daughter, Gladys R., was united in marriage to E. Augustus Wingeier, son of Mr. and Mrs. Louis Wingeier. Rev. B. S. Miller performed the ceremony in the presence of the immediate families, Miss Thelma Wingeier, sister of the groom, was bridesmaid and Charles Geiger of Freeport assisted Mr. Wingeier as best man.

Mr. and Mrs. Wingeier left soon after the wedding for Traverse City where they will spend a few days before returning to Lowell. They plan to make their home at Grace Baldu's house on West Main-st.

Both young people are graduates of the Lowell High School. After graduation, Mr. Wingeier attended Junior College in Grand Rapids and is now employed as assistant undertaker by W. A. Roth. Mrs. Wingeier was graduated from Blodgett hospital nursing school, Grand Rapids and has since been following a nurse's career. They have the congratulations and best wishes of their large circle of friends here.

Entertain for Newlyweds

Mr. and Mrs. Chris Kropf gave a dinner last Sunday for Earl Kropf and his bride (the former Marion Williams of Grand Rapids), who were married Sept. 19. It also was Mr. and Mrs. Chris Kropf's 35th wedding anniversary.

Those present were Mr. and Mrs. Earl Kropf, Bobby and Barbara Williams, Mr. and Mrs. Dell Kropf and children of Lowell; Mr. and Mrs. Adelbert Ford and

daughter of Moseley, Mr. and Mrs. Eugene Kropf of Grattan, Mr. and Mrs. Hilton Briggs of Grand Rapids, Mr. and Mrs. Carl Kropf and Miss Emma Kropf, Mr. and Mrs. E. A. Rennells of Mar- ton, Mr. and Mrs. J. L. Barry and son, Mr. and Mrs. Stephen Rennells and two sons and John McDonnell of Lansing, Mr. and Mrs. John Rennells and Miss Ethel Rennells of Grand Rapids called in the afternoon.

Mr. and Mrs. Earl Kropf are living at 716 Jefferson-st., Lowell.

Says State Hurt By Forest Plans

McPherson Declares U. S. Takes Land Out of Tax Lists

Uncle Sam's reforestation program, which provides for the purchase of marginal lands, may affect county, township and school finances over the state, M. B. McPherson, state tax commissioner, pointed out Thursday, says The Grand Rapids Press, in connection with the schedule of subjects to be discussed at the National Tax conference at Oklahoma City Oct. 14 to 17. McPherson is to give an address at the conference on the subject of delinquent taxes.

"The government is taking over a great number of farms in connection with its reforestation program and is forgetting all about the fact that these lands are the source of support for local governments," said McPherson.

"The state has been paying 5 cents an acre on lands it took over under tax liens for the benefit of the conservation department, but so far the federal government hasn't given the subject a thought, it appears.

Loss Tax Resources

"Whole school districts are losing their tax sources and in some cases most of a township is being absorbed by the government, cutting the revenues way below the needs."

Other topics to be considered at the national meet, McPherson said, are oil control and oil taxes in which Michigan is now deeply interested, and inheritance taxes in connection with which, McPherson contended, state resources, under the new law are being raided by the federal government, and affected by delinquent taxes.

How Dew Ponds Will Help When There is a Drouth

A dew pond is made by digging out the earth to a depth of five feet in the center, sloping upwards to the sides. The hole is then lined with clay and covered with straw. The straw is covered with lime, but this lime must not touch the clay lining. A secret substance, said to be known only to two bachelor brothers, is mixed with the lime. Then a layer of earth is hammered down to make the bed. After that the pond is left to fill itself, which takes about six months.

The scientific explanation is that the layer of dry straw insulates the earth below and prevents heat from passing up to the water in the pond. Thus the water remains cold, causing the moisture-laden night air to part with its water. The heat of the day causes evaporation of the pond water, but this only increases its coldness and further facilitates condensation.

The outstanding fact about old dew ponds is that, despite the longest drouth, they never go dry. Many are situated in exposed positions and are used daily by cattle and sheep, but in most prolonged rainless spells they remain full and apparently undisturbed.—Tit-Bits Magazine.

THE WORK OF CREDIT

Bank Shows How It Gives Needed Aid to All Classes of Prudent Borrowers

How a bank loan portfolio presents a graphic cross section picture of the business of its community is disclosed by the description which a midwestern bank recently gave of its loans to customers. It revealed also how closely interwoven with its neighbors' varied lives are the threads of the bank's financial helpfulness.

This description showed that the bank had made a loan of \$100,000 to a local shoe manufacturer to purchase materials, discount bills and meet current requirements.

To a wholesale grocer \$55,000 had been advanced for the purchase of inventory, the loan to be repaid over a period in accordance with specified terms set forth in the loan agreement.

Assistance in Personal Matters

Another loan had been made to a home owner to the amount of \$200 for painting and repairing. This was made in cooperation with the Federal Housing Administration and was being repaid in twenty-four monthly installments of \$5.33 each.

A dentist had been loaned \$300 to purchase new equipment. He was paying off the debt out of his professional earnings as they came in.

To a large domestic refrigerator distributor \$30,000 had been granted on warehouse receipts to finance dealer shipments.

A home owner had been granted a \$2,000 mortgage loan to be repaid in three years.

One thousand dollars had been advanced to an office worker on the cash surrender value of his insurance policy to aid him in meeting an emergency.

How Potomac Park Was Acquired

It is interesting to note from the "Enfant" plan of 1791 the absence of land in the area known as West and East Potomac Park. Seventy-five years ago the area had developed into a marshy region which became so malarial as to affect the health of residents of the city. In 1901 the McMillan park commission decided to extend the axis of the Mall westward three-fourths of a mile, and as a result one of the greatest and most remarkable developments in city planning had been accomplished. The dredging of these swampy regions by the United States engineers' office resulted in the creation of West Potomac park, comprising 944 acres.

How Heavy, Other Waters Differ

Ordinary water is a compound consisting of two atoms of hydrogen combined with one of oxygen. In "heavy water" the two hydrogen atoms are replaced by two atoms of a recently discovered variety of hydrogen, the atoms of which are twice as heavy as the ordinary kind. Heavy water is present to a very small extent in ordinary tap water. While it is of considerable theoretical importance, at present it has no practical uses.—Chicago Tribune.

Bankers' Support FARM COMMISSION

The Agricultural Commission of the American Bankers Association is promoting widely among bankers the practice of aiding their farm customers in installing on their farms better financial, accounting and operating methods. It also cooperates in the endeavors of the state bankers' associations along similar lines.

The commission has published a book on "Making Farm Investments Safe," presenting a compendium of helpful material published over a period of years as a reference guide in the daily routine of banking and farming relationships. It has also published "Factors Affecting Farm Credit," discussing in an illustrative way how farm credit can be obtained on a sound basis.

Another publication is the monthly Bulletin of the commission which circulates to about 10,000 persons, among them the county agents throughout the United States, who make frequent use of the material and suggestions prepared by the commission. Likewise, the commission has appointed 2,300 key bankers covering every county in the United States, who act as focal points in their districts in fostering better understanding between bankers and farmers.

Mrs. Essie Devine, Theda and Leah Myers were Sunday visitors at Merton Alderink's in Lowell.

Clover Seed Crop Short This Year

Recent crop reports indicate that the supply of seed from the various kinds of clover and other legumes, while larger than last year's, will still be below the average production for the years 1928 to 1933, according to the farm crops department at Michigan State College.

The supply of sweet clover for the United States is expected to be 11,000,000 pounds short of the average production. The crop this year is 7,000,000 pounds greater than it was last year. Sweet clover was damaged by dry weather in some places and by too much rain in others this year.

Supplies of red clover seed are still affected by last year's drought, as many stands were killed which would have produced seed in 1935. The carry-over of red clover seed from last year is small but it is larger than expected because the sales were 20 per cent below expectations.

White clover seed production will be only about one-third of the 1934 crop. Most of the white clover seed is produced in Louisiana, Idaho, Oregon, and Wisconsin. Scarcity of this seed will affect the price of lawn grass mixtures in which it is included.

It appears now that the supply of alsike clover will be a little larger than it was in 1934. More winter vetch seed will be available, the reports showing increased acreages in Oregon and Michigan.

No report is given on alfalfa seed. Michigan agricultural agents state that the crop in Michigan is very uncertain. Less seed was harvested from the first cuttings and second cuttings left for seed were good in some sections and poor in others.

VILLAGE TAX NOTICE

Village taxes are due before Sept. 30 and are payable at my store daily, except Sunday, from 8:30 a. m. to 5:30 p. m. and on Saturday evening until 10 o'clock.

The personal tax must be taken care of by Sept. 30 or else we will have to levy on personal property.

T. A. GAZELLA,
Lowell Village Treas.

Two methods are used in speaking to deaf-blind persons. One is to place your hand in his and spell out your conversation in the alphabet of the deaf, and the other is for them to hold your wrist while you go through the motions of speech in the sign language.

OBITUARY

James E. Tower

James Edgar Tower, who passed away at his home in Fallsburg Sept. 18, was born at Belleville, Ontario, Canada, Sept. 23, 1856. As a young man, he migrated west to North Dakota in 1882. There he lived until he was united in marriage to Minnie A. Land of Grand Rapids in October 1886. They moved to Fallsburg in 1893 where he had since resided.

Mr. Tower was justice of Vergennes-tp. for 33 years, serving in that capacity at the time of his death, and was a member of the Fallsburg school board for 30 years. He was a member of the local Masonic fraternity.

Surviving are two brothers, Finlay Tower of Buffalo Gap, So. Dak., and Walter S. Tower of Racine, Wis.; one sister, Alice T. James of Fallsburg; two nephews, Bruce and Donald Tower of Fallsburg and a niece, Aldyth Tower of Grand Rapids.

Funeral services were held on Sunday at the W. A. Roth chapel at 2:30 o'clock, under auspices of the local Masonic lodge. Rev. S. B. Wenger was the clergyman. Interment in Fallsburg cemetery.

CARD OF THANKS

We wish to express our sincere thanks to the many friends, neighbors and lodge members who called during Mr. Tower's illness, who sent flowers, and showed their sympathy in many other ways.

Mrs. Alice James,
Bruce Tower.

"I AM THE TELEPHONE"

"I am the telephone, friend of rich and poor alike. My body is brass and my heart, gold. My arms reach around the world and unfold it to my bosom. Through them courses electricity, my life-fluid. I speak all languages.

"Mine is the voice of commerce and romance. I transact business for the millions and convey the love notes of the world. I announce glad tidings of weddings, births, graduations, promotions. It is my equal duty to echo when a sob vibrates into the night, I am the voice of man... amplified, magnified, ramplified.

"Routine is not beneath my dignity. I will order a limousine and a bag of salt in the same breath. I will send for a doctor, or summon a priest. I make hazardous the work of the prowler, and peaceful the slumber of all. A word from me, and the community's firemen leap into action.

"I am the telephone, companion of the many. I am a friend to the lonely, to the shut-in. I send the traveler on his way with the assurance that I shall keep watch in his absence; that I shall notify him in an emergency; that I shall take to him the voices of his loved ones (and his to them), though sea and mountain separate them.

"My credo is service... you have but to ask. I am the telephone."
