The Bible makes it very clear that humanity is divided into two classes: believers and unbelievers.

John 3:36: "He that believeth on the Son hath eternal life; but he that believeth not the Son shall not see life, but the wrath of God abideth on him." Either you believe,

A wonderful verse dealing with believing is found in John 20:30, 31: "Many other signs therefore did Jesus in the presence of the disciples which are not written in this book: but these are written that ye may believe that Jesus is the Christ, the Son of God; and that believing ye may have life in his name." Do you believe this truth? Do you believe in this Christ, the Son of God as your Savior and the Lord and Master of your life?
